

Deripaska Names Wolf

By [The Moscow Times](#)

September 30, 2010

The  **Moscow Times**

Oleg Deripaska has appointed Siegfried Wolf as chairman of his construction company Glavstroj.

Wolf's resignation as co-executive officer of Magna International was announced earlier this month. He has already started work at Deripaska's Basic Element as chairman of Russian Machines, which owns van and truck producer GAZ. ☒
