

Inteko Denies Sale Report

By [The Moscow Times](#)

November 01, 2010

The  **Moscow Times**

Inteko denied on Monday that owner Yelena Baturina was in talks to sell the developer to billionaire Senator Suleiman Kerimov, calling the claim “complete ravings” from “individual media outlets,” Interfax reported.

Earlier Monday, the tabloid LifeNews.ru ran an unsourced report alleging that Baturina and her husband, former Mayor Yury Luzhkov, were personally negotiating the sale.✕
