

Gone in 45 Seconds

March 08, 2011

The  **Moscow Times**

A daring robbery pulled off in under a minute left a jewelry shop in northwestern Moscow stripped of goods worth 1 million rubles (\$35,000), Interfax reported.

Five masked attackers stormed a shop in the Mitino district on Monday, smashed glass displays with hammers and made off with boxes of jewelry.

The attack took 45 seconds, and shop personnel were too stunned to resist. A criminal case has been opened.
