The \$30 million Sportex sports and entertainment center will open on 5th Kabelnaya Ulitsa near the Aviamotornaya metro station in the fall, said GVA Sawyer, which is handling rentals in the complex. Altair is the developer.

The total area of the complex will be 26,000 square meters with about 18,000 square meters of leasable space.

Sporting-goods stores will operate in the center, which will be anchored by a fitness center with a swimming pool and a leisure center. There will be surface parking for 100 cars and multilevel indoor parking for 200 cars.
