

Jingle All the Way: Spending Christmas with Russia's Arctic Reindeer Herds

December 16, 2016

Santa's reindeer helpers may be making some special appearances in the run-up to Christmas Eve, but in Russia's Arctic Nenets Autonomous Region, herding the gentle beasts is an ancient way of life. ❏Photographer Sergei Karpukhin took a closer look at the region's reindeer herders and their livestock in Russia's snowy winter tundra.
