

‘A Special Gesture Operation’: Russian Internet Reacts to Trump’s Inauguration

January 21, 2025

“Why did he Sieg Heil?” @lpr_tw / X

Just like the day after Donald Trump’s election triumph in November, the Russian internet is overflowing with memes and humor.

Elon Musk, especially, seems to have made a real splash.

We’ve collected some of our favorites:

Let’s start with the reactions to Elon Musk’s gesture that closely resembled a Nazi salute at Capitol One Arena, something which Musk himself has [denied](#).

— “Doctor, if I turn my hand up a little, it’s not a Sieg Heil, right?”

— “No, it’s still a Sieg Heil.”

[Here](#), Musk is edited to look like Alexey Milchakov, the leader and co-founder of the far-right, neo-Nazi Rusich Group, a paramilitary organization that has been involved in Russia’s invasion of Ukraine since 2014. Milchakov, who has openly [admitted](#) to being a Nazi, has been linked to atrocities in both Ukraine and Syria and is a suspected war criminal.

“The crazy grandpa is president again. He’s talking about gender and one of his officials is Sieg-Heiling. Guess the country.”

“Stop stealing our jokes.”
